

# **EXAM SPECIFICATIONS FOR RESIDENTIAL REAL ESTATE LAW**

The purpose of the certification examination is to require applicant to demonstrate substantial knowledge of significant legal concepts and corresponding skills in residential real estate law.

**DEFINITION.** Real estate law is the rendering of advice and services concerning the laws applicable to land and the improvements and appurtenances (including air and subsurface estates) to land. It also includes the acquisition, transfer, development, financing and use of land; and includes without limitation, knowledge of the legal restrictions and constraints imposed privately and by local, state and federal governments upon land and the improvements to land.

Residential real estate law is legal practice including advice and services in connection with the acquisition, ownership, leasing, financing, use, transfer and disposition of residential real property.

**KNOWLEDGE.** Applicant must have knowledge of the following: **(Not all of the following exam topics will be covered on the exam. Applicant will be tested on all laws currently in effect at the time of the exam.)**
